SUMMER

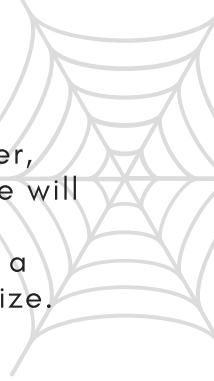

Although not the same, we were so happy to have alumni families and campers join us this summer - thanks to all who attended!

We are looking forward to opening registration for summer 2021 this fall. Please check in for opportunities for you or your family members to join us at camp.

HALLOWEEN HIKE

KEEP THE CYO WHOLE

Our "Keep the CYO Whole" Campaign is still going on, as we raise the much needed funds to keep our agency alive. Our C.Y.O. logo would love to be fully in colour again but we need your help to get there! We are currently at 12 % of our \$1,000,000 goal, which represents the funds lost in 2020.
